

ALEXIS SHORE INGBER

asingber@syr.edu– www.alexishoreingber.com

*formerly Alexis Shore

EDUCATION

Doctor of Philosophy, Emerging Media Studies 2024

Boston University, Boston, MA

Dissertation: We Hit Turbulence: Governing Screenshot Collection and Sharing of Digital Messages

Committee: James J. Cummings, Woodrow Hartzog, Kelsey Prena (chair), Chris Chao Su

Master of Arts, Emerging Media Studies

Boston University, Boston, MA

Thesis: To share or not to share: Extending Protection Motivation Theory to understand data sharing with the police

Bachelor of Science, Communication, cum laude

Cornell University, Ithaca, NY

ACADEMIC APPOINTMENTS

Assistant Professor of Communications Law

August 2025–

Syracuse University, S.I. Newhouse School of Public Communications

- Teaching courses in communications law and policy to undergraduate and graduate students

July 2024 –
July 2025

Postdoctoral Research Fellow

University of Michigan, School of Information

- Affiliate of the Center for Ethics, Society, and Computing

INVITED TALKS

Invited panelist, Real Talk About Job Talks: Presenting Your Research with Impact, AEJMC, December 2025.

Invited speaker, Privacy in the AI Age: Distinguishing AI Outputs Using Data Distance. Newhouse Impact Symposium, December 2025.

Invited panelist, First Year on the Job: Strategies and Advice for Transitioning into an Academic Position, AEJMC, November 2025.

Invited speaker, Proseminar Series, S.I. Newhouse School of Public Communications, Syracuse University. September 2025.

Invited speaker, Privacy Research Day, National Commission on Informatics and Liberty (CNIL), Paris, France. July 2025.

Invited speaker, Privacy by Design—or by AI? What Humans Can Teach Machines About Privacy, University of Michigan, Michigan Interactive & Social Computing Lab, Ann Arbor MI. March 2025.

Guest lecturer, Introduction to Copyright Law in Entertainment Media, Syracuse University, Syracuse, NY. March 2025

Invited speaker, Privacy by Design—or by AI? What Humans Can Teach Machines About Privacy, The 6th AAAI Workshop on Privacy-Preserving Artificial Intelligence, Philadelphia PA. March 2025.

Invited speaker, Center for Civic Engagement, Salem State University, February 2025.

Invited panelist, Bias in Technology: The Causes, Consequences, and Possible Solutions, University of New Hampshire Franklin Pierce School of Law, February 2025.

Guest lecturer, The Current State of AI Policy, Human Factors in Artificial Intelligence at Colorado School of Mines, November 2024.

Guest lecturer, The Psychology of Privacy in Emerging Media. Human Factors in Security and Privacy seminar at Tufts University, September 2024.

Invited speaker, Platforms, Privacy, and Power: Why Intimate Privacy Protections Matter. Rebooting Social Media Speaker Series. Berkman Klein Center for Internet & Society, Harvard University, November 2023.

Invited speaker, Platforms as Rulemakers for Interpersonal Communication: The Case of the Screenshot Feature. Communication Research Center Colloquium Series, Boston University, September 2023.

Invited speaker, Governing the screenshot feature: Fighting interpersonal breaches of privacy through law and policy. Privacy Research Group, New York University, September 2023.

Invited panelist, Ethical Leadership in Academia and Industry. Department of Communication, Cornell University, September 2023.

Invited speaker, Platforms as Privacy Rule Makers. Data Science Institute, Data Matters Seminar. Brown University, April 2023.

Invited panelist, Resistance Under Watch. National Communication Association, November 2021.

Invited speaker, Surveillance Design and Contextual Integrity. PrivaCI Town Hall, September 2020.

Invited speaker, Privacy Research Beyond the Law: Mentoring on Experimental Research Design in Privacy. Privacy Law Scholars Conference, June 2020.

SELECT RESEARCH POSITIONS

Metaverse Research Manager

Boston University, Boston, MA

Jan. 2023 -
July 2024

- Awarded an industry-funded grant with Dr. James J. Cummings to study privacy and misinformation in the metaverse
- Leader of theory-driven approach to designing quantitative surveys and lab experiments in virtual reality
- Manager of graduate-level research assistants in their contributions to the research process

Research Analyst

University of Virginia (Remote)

June 2021 -
July 2024

- Working with Danielle Citron and Jonathon Penney on a series of projects that promote intimate privacy legislation and platform responsibility
- Responsible for designing 3 experiments in Qualtrics and running multivariate data analysis in R
- Preparing manuscripts for social science and law review publication outlets

Policy Consultant for Youth and Education Privacy

Future of Privacy Forum, Washington D.C. (Remote)

Nov. 2018 -
May 2022

- Led qualitative research protocols including interviews and coding procedures
- Conducted research to draft reports and training modules on student privacy best practices
- Reviewed applicants to the Student Privacy Pledge and helped to bring those policies into compliance

- Led writing for a series of multimillion dollar grants including the Gates Foundation and Chan Zuckerberg Initiative, both of which were attained

Project Manager

Boston University, Boston, MA

Jan. 2021 -
July 2021

- Led 2 groups of Master's students to complete their Capstone projects
- Met bi-weekly to provide theoretical, methodological, and statistical guidance
- Worked directly with clients to help students provide recommendations for internal and digital communication strategies based on their findings

Research Sprint Participant

Berkman Klein Center for Internet & Society at Harvard University

Oct. 2020 -
Jan. 2021

- Chosen as 1 of 39 graduate students from over twenty countries to contribute to the "Digital Ethics in Times of Crisis" Covid-19 and Access to Education and Learning" research sprint
- Contributed to and presented on outputs for catered toward policymakers

TEACHING POSITIONS

Instructor of Record: Communication Law for PR & Advertising (undergraduate course) Communication Law for Film & TV (graduate course)

Aug. 2025-

Syracuse University, Syracuse, NY

- Taught communications law to approximately 70 students, applying important legal concepts (e.g., First Amendment, privacy, copyright, contracts) that will be relevant to their future communications careers
- Designed course lecture slides, exams and assignments

Instructor of Record: Communication Research Methods (Fall 2021, Fall 2022)

Sept. 2021 -
Dec. 2022

Boston University, Boston, MA

- Designed course lecture slides, labs, quizzes and rubrics independently
- Responsible for teaching basic statistics in SPSS and how to conduct a research project from start to finish (survey/experimental methodology)

Discussion Instructor (Communication 101)

Sept. 2020 -
Dec. 2021

Boston University, Boston, MA

- Led a section of 25 students to help them better understand concepts around public relations, journalism, and film via Zoom
- Graded weekly assignments and large projects throughout the semester

Teaching Assistant (Media and Politics in Modern America)

Sept. 2019 -
Dec. 2019

Boston University, Boston, MA

- Graded essays and providing substantial feedback for 26 students throughout the semester

Teaching Assistant (Oral Communication)

Jan. 2018 -
May 2018

Cornell University, Ithaca, NY

- Met individually with 10 students before each public speaking assignment
- Provided feedback on written speeches before presentation to the instructor

SERVICE

Boston University Student Technology Advisory Council (September 2022 - May 2024; appointed by Director of Emerging Media Studies).

Boston University Graduate Student Advisory Board (September 2022 - May 2024; appointed by Dean Laurie Nichols).

Student & Early Career Representative, Information Systems Division, International Communication Association (May 2022 - May 2024).

SONA Research Review Board, Boston University College of Communication (2021 - 2022).

Reviewer for Telematics and Informatics, Information, Communication & Society, First Monday, International Communication Association & ACM Conference on Human Factors in Computing Systems (CHI).

AWARDS

Deans Award for Academic Excellence, awarded by the Boston University College of Communication for my significant contribution to the communication research field during my time as a graduate student, November 2024.

NSF Travel Grant, awarded \$800 to attend and present my research at the PrivaCI Symposium, September 2024.

Michael Hoefges Graduate Student Research Fund Recipient, awarded \$500 by the Media, Law & Policy Division of the Association for Education in Journalism and Mass Communication (AEJMC) toward my dissertation, February 2023.

Graduate Student Research Award, presented at #Screentime conference by Boston University's College of Communication Division of Emerging Media Studies, June 2022.

Distinguished Leadership Award, presented at #Screentime conference by Boston University's College of Communication Division of Emerging Media Studies, June 2021.

Best Poster Award, presented at #Screentime conference by Boston University's College of Communication Division of Emerging Media Studies, June 2020.
